ASSESSMENTS

Section 1. Each person, group of persons or entity who becomes a record owner of a Lot by

acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or conveyance, shall hereby be deemed to covenant and agree to pay to TCFOA (1) annual assessments or charges, and (2) special assessments to be fixed, established and collected from time to time as herein provided. The rate of annual assessments shall be established by the Board of Directors per annum for each Lot and may be increased or decreased by the Board of Directors of TCFOA each year but not be increased more than five percent (5%) above the annual assessment for the previous year without an affirmative vote of a majority of those members present at a meeting as hereinafter set forth in Section 5 of this Article. All funds generated by the assessments shall be used exclusively for maintenance, upkeep, insurance, taxes, and operating expenses of the common areas, including ordinary and reasonable administrative expenses and fees incident thereto. Any surplus of funds shall be held by TCFOA as a reserve against depreciation of improvements and for necessary capital expenditures in the Common Areas.

Section 2. Annual Assessments shall be payable in advance in either one payment or two equal installments, the first payable on January 1st of each year, and the second installment due on the following July 1st.

Section 3. The Assessment shall be the personal joint and several liability of each record owner of each lot and shall also constitute a lien on each lot as of January 1st of each year until the assessment is paid in full. In the event assessment installments are not paid on the due date they shall become delinquent and shall bear interest after thirty (30) days in default at the rate of ten percent (10%) per annum for the full period of default. In the event any assessment or installment is placed in the hands of an attorney for collection, the person liable for payment agrees to pay all reasonable costs incurred in collection, including attorneys' fees. The lien for the assessment may be foreclosed under the same procedures for foreclosing a mortgage.

Section 4. In addition to the Annual Assessments, TCFOA may levy, in any assessment year, a

special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, re-construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3's) of the members' voting rights who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 1 or 4 shall be sent to all members not less than twenty (20) days nor more than forty (40) days in advance of the meeting. At the first such meeting called, the presence of at least two hundred twenty five (225) members or proxies entitled to cast votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one hundred thirteen (113) members with voting rights. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.
